Save Gas, Time and Money with a Semi-Seasonal Pass

The Semi-Seasonal Pass offers you many of the comforts of a Seasonal Campsite without the expense. It is an easy and economical way to camp. We store your trailer between visits and when you arrive, your trailer is already on the campsite. No more worries about backing up into the campsite or leveling, it's done for you. No more headaches hooking everything up to pull your trailer. All you do is make the reservation and present your Semi-Seasonal Pass when you check-in

A valid Semi-Seasonal Pass provides you with the following benefits:

- Use of the Campground Facilities
- Storage of your trailer between visits 4/15 through 10/15
- Trailer moved to and from the campsite
- Invitation to attend Seasonal Camper Activities
- Reservations made using your pass

The Pass can be used any time during our open season.

The Pass is valid for the purchaser, from the opening day of the issued camping season, or as soon as purchased, which ever is later, and will expire in one year, or when all the punches are used, whichever is sooner. Normal check-in and check-out times and all park rules still apply

The cost of the pass is \$301.50 for a 25 punch card.

Punches will be removed from the Pass using the following rules
